

This week in the Coleman Bands:

It was another busy week for our band students! Band Fitting Night on Wednesday was a great success -- we had 40 fifth-grade students sign up, and their lessons will start this coming week! The Middle School band has been working on music reading and fundamentals, with lots of improvement as the week went on. The High School band learned some new pep band songs, picked music to perform at Homecoming, and even called Ms. Shuman's dad on his birthday with their own rendition of "Happy Birthday." They saw just how much music can brighten someone's day!
