

This week in the Coleman Bands:

It was another busy week for Coleman Band students! From first lessons for 5th graders to the first pep band of the year for our high schoolers, we accomplished a lot in our third week of school! We missed our 6th graders while they were at Camp Bird this week, and we can't wait to show them everything they've learned!

CHS Band Updates

We've been hard at work preparing our Homecoming music and marching show! We also had a great first pep band of the year at the home football game on Friday - pictures are below. We'll see you at our next performances at Volleyball Parents' Night on **October 6th**, Football Parents' Night on **October 7th**, and Homecoming on **October 14th**!

CMS Band Updates

This week, we were a smaller band without our 6th graders, but we got two new pieces of music and practiced our sight-reading skills. We learned a new warm-up using body percussion, and even had a "silent rehearsal" where students had to focus carefully, since Ms. Shuman didn't say a word all hour!

5th Grade Band Updates

We had a great first week of 5th grade band lessons! Students learned how to put their instruments together, make their first sounds, and even played their first notes! Parents and guardians, ask your students to show you how they assemble and play their instruments - it's good practice, and it's a great way for you to see what they've learned so far!
